THAT GUY...?!
Matching the time period of four months ago -
This can't be excused by saying it's mere coincidence...! It just can't be possible-!
Indeed, the key lies with...

That's because it happened in front of his eyes.
Yeah.
Despite of me telling him that it's okay, he still refuses to listen.
During the car accident four months ago, something must've happened...
Even though I'd like some clarification...
It seems unlikely that Takaya Sou will answer honestly...
Although it's a little different does that count as infantilizing?

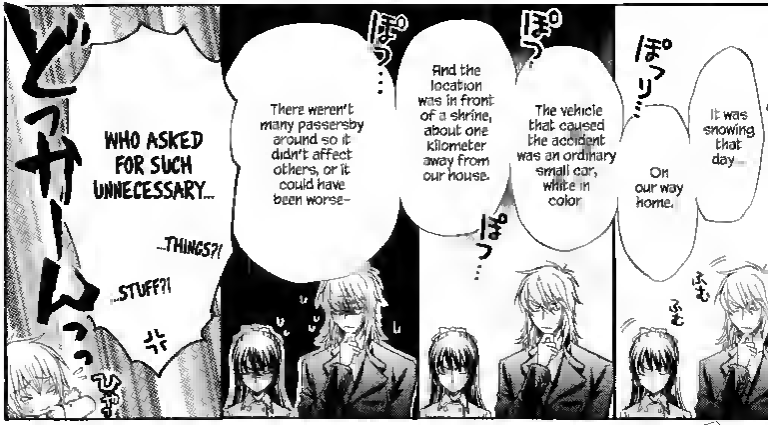
Ah-...
Nature calls, I need to go to the toilet!
Oh, okay.
Sure.
Help me hold this for a bit
ギュッ…

Eh?
AH!
So, let's continue digging!
Oi!
Hey!
UWAHH!

Erm - -
What's wrong...?
The other guy seems more difficult to deal with...
If I want more details on the car accident, I should ask this one instead.
Asking this one would save a lot of trouble...
The events leading up to the car accident last winter, tell me...
...all the details!!!
...everything!!!
EHH!
HOW DO YOU GUYS KNOW I WAS IN AN ACCIDENT LAST YEAR?!
But, the fella next to me is thinking the same...

しれっ
I accidentally overheard!
I unintentionally eavesdropped!
I didn't say it that loud, and these people were quite a distance away as well, so why...
Although I just finished talking about it...
Whisper
Because they are not human, their listening abilities are beyond an ordinary person's!
So they overheard the conversation just now?
AH!
That's why.
Sui! Sui!
トントン

But...
Even if I described the accident in detail...



It was snowing that day...
On our way home.
ぽつり...
The vehicle that caused the accident was an ordinary small car, white in color.
ぽつ...
And the location was in front of a shrine, about one kilometer away from our house.
ぽつ...
There weren't many passersby around so it didn't affect others, or it could have been worse-

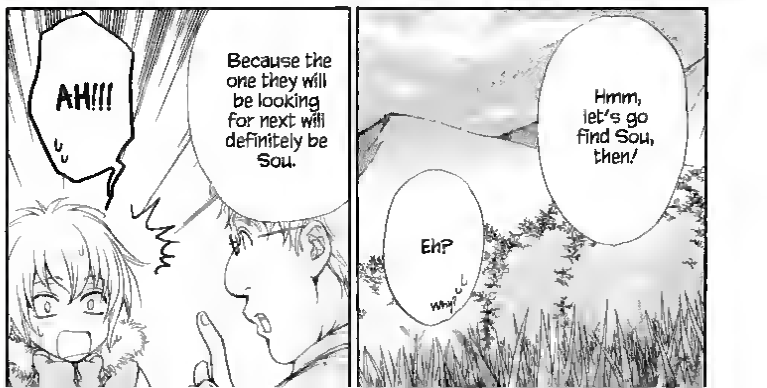
COMPARED TO THE MUNDANE STUFF DID ANY STRANGE SITUATION ARISE IN PARTICULAR?!
Eh.. Why are you guys asking... about Sou's superpower?
FOR EXAMPLE. DID YOUR BROTHER USE HIS POWER?!
No. It's not like that...
I know he's psychokinetic... Is there anything else...?

YOU ARE NOT HIDING ANYTHING ELSE FROM US, RIGHT?!
REALLY?! IS THAT REALLY IT?!
Really! I'm not hiding anything!
It's just that...
As it happened so suddenly, I heard that there wasn't time for him to use his powers...
It seems that when the car was about to hit Sou, I used my body to protect him.
He's truly useless! Really...
In the end, I still can't rely on that guy...
Actually, I... Maybe it's due to the shock, but I don't remember anything right after the accident...
Sou was the one who told me what happened...
HUH,
WHAT?!
WHAT DID YOU SAY?!

Why are they asking about the accident...?
Could it be that it's related to something else...?
.....
Your accident, it happened late last year, right?
That means, the time period matches the incident they were talking about, which happened four months ago
Eh? So, just now, they
Yup, they may be thinking that the car accident is the key to what they were looking for
Ehh –
But, that time, we only suffered some minor scratches, it wasn't anything serious–!
But they have such a reaction over it...



Hmm, let's go find Sou, then!
Eh?
Why?
Because the one they will be looking for next will definitely be Sou.
AH!!!

WAHH- THEY WILL NEVER BE ABLE TO TALK NICELY- MAYBE THEY'LL START A WAR AT ANY MOMENT-!!!
If they are having a conversation with Sou...
Hence, why we have to hurry and find Sou!
Yeah, yeah!!!
Ah, but,
Hisaya, you don't have to come along, it's fine! Because it may be dangerous...
Nope, I'm going!
Because I find this development REALLY INTERESTING!!!
If something really happens, I wanna see it with my own eyes!!!
Oh, I see...
Let's go together then!!

Is this some sort of hostility against people who are useless, like me?
You even resort to using a shikigami* to go undetected!
What are you after, calling me to a place like this?

T/N: *SHIKIGAMI HTTP://EN.WIKIPEDIA.ORG/WIKI/SHIKIGAMI

In that case,
I'd like you to follow my orders.
Ma-saki,
you are a Kunimi, yes?
You are still talking about that now?
What kind of non-sense is that?

The car accident that Takaya Sui mentioned earlier matches the time period of the incident we felt four months ago.
Go and investigate that accident thoroughly, then report to me.
What ...?
KEIJI! YOU WERE EAVESDROPPING ON OUR CONVERSATION?!
Of course.
Why do you think I'd specifically join a worthless club like this?
Of course it's so that I could keep an eye on that suspicious being who could possibly be the source that we were looking for!

There's always something attached to every human's back.
Be it a guardian spirit, spirit guide, spirit of their ancestors or even an evil spirit... As long as they are human, they'll definitely have it.
But for those twins, I can't seem to get a glimpse of anything despite my searching for it.
Why do you think that way? Perhaps he's really just a PK.
That's right
For Masaki whose powers are weak, there's no way for him to understand that kind of peculiar feeling.
Suspicious... Do you mean Sou?
But Sou is just a PK user.
That's right, but it may be a cover,
using his immerse power to mislead others, keeping his real strength hidden...
You can't deny that possibility.

Even though I can sense its presence, it seems to be hiding behind a layer of fog, making it impossible to identify.
In other words, it's an indication that they are hiding something.
HOW CAN I DO THAT?! DOESN'T THAT MAKE ME A SPY WHO USES HIS FRIENDS?!
Compared to me, it'll be easier for you to get information, since your relationship with them is better!
Therefore, you have to investigate the key event of this accident!

Aren't you being too naive?
Even though you're exceptionally weak as an onmyoji*, you're still a kunimi, aren't you?
If you are, you'll have to follow through with my orders, seeing that I'm your superior.
NOOO...

NOTE: ONMYOJI HTTP://MURASAKINONAKAGO.WIKIA.COM/WIKI/ONMYOJI?SCROLL=DJI

I'LL NEVER FOLLOW YOUR ORDERS!!!
Clan issues are important.. Friends are important, as well...
But... Right now, there's only one thing I'm sure of...

ジャリッ…

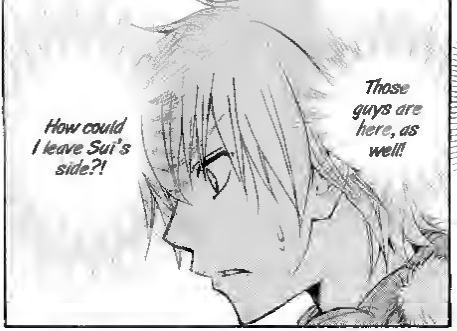
Why is Sui so upset...?
I was just saying, the only ones who are seriously looking for Tsuchinoko are Kitano and the President. I wasn't wrong!
That's because what those fellas are looking for not some Tsuchinoko-
If you want to keep the leaves hidden, you'll have to hide it inside the forest-
I joined this club after taking that into consideration...
But I didn't think that those guys would follow suit. It was a miscalculation on my part-...
キュッ



How could I leave Sui's side?!
Those guys are here, as well!

ナニッ

ばっ
Regardless of what Sui said, I should have stayed by his side-!!!

...Oh, right!

Regarding your twin brother's car accident late last year!
Tell us the details!
Hi!
We've got some stuff to ask you. Can you please give us some answers?
I'm not obliged to tell you guys anything.
WHAT DID YOU SAY-?!
So arrogant even though you're just 1 inside.
Oh!
ス…

Think whatever you like.
Wait a minute! Your attitude only makes us feel like you're hiding something and you're not saying what it is.
Get out of my way.
Unless you talk, I won't let you pass!
If that's the case,
I'll have to rely on my strength to pass!
WAIT WAIT..!
HEY, HEY-!!!

SOU!
ARE YOU ALL RIGHT?!
This mountain pathway wasn't paved with tar.
Hence why it collapsed easily.
Sui, you can't go too close to the edge! If you do, you'll fall as well!!!
I need to head down!!!
Wait! Even if you head down, you won't be able to climb up the cliff, right?
It would cause more trouble instead.
I'll bring him up on your behalf!
Well I guess I feel a little reassured little for that.
To save Sou!
For us werewolves, this cliff is not a big deal!
Leave it to me!
Eh...
わたわた

Are you all right? Are you injured anywhere?
Why did this guy come instead?
HEY
What's going on?!
ザザ
Ah! Masaki...
It's Sou, he-...
No
Should be...all right...

Okay! I'll bring you up like this, then!
Don't move, okay!
Eh!?

WAHHH -!!!
WHAT?! DO YOUR WOUNDS HURT?!
NO... IT'S JUST MENTALLY DISTRESS-ING!!!
To be carried like a princess by a guy
Stop complaining! It's fine, as long as the wounds don't hurt! I'm going up now!
Even though I'm still a high school girl, I'm already too heavy for him to carry...

Sou! Are you injured?! Where are you hurting?! Are you feeling uncomfortable?!
Although my whole body hurts
I'M IN SO MUCH PAIN, MENTALLY, TO A POINT WHERE IT'S MAKING ME MISERABLE...
Eh?
SOU!!!

WAH-
SOU! YOUR
HEAD IS
BLEEDING-!!!
ANYWAY, LET'S WIPE OFF THE BLOOD FIRST!
STOP THE BLEEDING! STOP THE BLEEDING!
...AND THE WATER...

Ah...
Ah...
Ah...
Ah...
Sui?

WHAT'S HAPPENING?!

EH?
WHAT?

SUI!
ガクッ!!

So, that's it...
The thing we were searching...
...wasn't Takaya Sou, but Takaya Sui!!!
